

# V7 Professional Frontloader 13"

CCP4-9E

## Key Features

- Workstation includes key clip, pen loops, netted accessory pockets, cell phone pocket, business card holder
- Dedicated notebook section
- Padded shoulder strap and cushioned handle
- Durable 500 denier nylon with 630 visa polyester accents

## Overview

Featuring a removable shoulder strap and cushioned handles for easy travel, the Frontloader Laptop Cases ergonomic design provides unsurpassed comfort. As the most compact product in the Frontloader line, the laptop case fits laptops with up to a 13" screen.

Its roomy accessory pockets fit a portable mouse, an MP3 player, cell phone, business cards and pens, making the Frontloader Laptop Case the space-saving solution that offers maximum functionality.
